

Extra-Curricular Clubs Timetable

At Oldfield Brow Primary School, we want to provide all of our learners with a range of experiences that extend beyond our curriculum in order to meet our aim of **"Inspiring the Exceptional"** within each of our learners; building on their unique talents and interests. We have developed an extensive extra-curricular offer that can be accessed by any learner and cover a range of specialisms. The club offers change each half term based on pupil feedback and will change accordingly.

Oldfield Brow
Primary School
